Golf Tournaments at Chestnut Hill

Nearly 40 years ago, Chestnut Hill created the “Picnic-Style” golf tournament package that has become the gold standard of golf tournaments in WNY. The concept is country club-quality golf and service paired with top steakhouse level food in a fun and casual atmosphere. With a Chestnut Hill Outing, participants have a great experience and organizers enjoy a budget-friendly event.

All-Inclusive Golf & Dinner Packages

Our packages are all-inclusive! We do not “nickel and dime” for items like linens, tables, room charges, clean-up fees or extra golf carts for non-players. We have the largest fleet of golf carts in WNY at 116 so all golfers and volunteers are covered. Also, we run the entire show, so there is no need to coordinate between the golf course and a caterer or restaurant. Our tournaments are a one-stop-shopping experience.

Chestnut Hill: The Golf Course

Chestnut Hill’s course has been a tournament favorite for many decades. Its scenic layout through the rolling hills provides a challenge for better golfers without being overly difficult for the lesser players. Our layout is strategically designed to enable a better tournament pace of play and is expertly maintained by a professional groundskeeping staff.

Buyer Beware: Not All Steaks are Equal

*Ever wonder why some steaks taste better than others?
The answer is simple. The cut and grade of a steak matters. So does its size!*

1. Chestnut Hill only serves 12 oz. New York Strip Steaks. We do not cut corners by shrinking the size of the steak. A 10 oz steak is just too small!
2. Chestnut Hill does not serve “Sirloin Steaks”. A sirloin steak is NOT a New York Strip Steak. It is lower quality meat made to look like a strip steak. It is noticeably tougher, drier and less flavorful.
3. Chestnut Hill serves only premium Certified Hereford Beef which is sustainably raised on family-owned ranches in the Midwest. We believe Hereford Cattle are significantly more flavorful than other cattle, including Angus. While Hereford Beef costs more, your golfers and guests will appreciate that you did not skimp on the steaks.

The quality of the dinner is what your golfers will remember most about your outing.
